Nice ride

She's beautiful! I wouldn't mind a ride myself!” I grinned to the grizzled biker who was picking up his bike from the garage I own.

Turning around, I removed my overalls, letting him glimpse my round arse as I bent over, before seductively removing my undies. Naked, I started to unzip his jeans. His dick sprang free.

With the bike still purring I swung one leg over and stood just above his cock, rubbing the head against my wet pussy.

I placed a hand on either of his shoulders and sat down, taking his cock from head to base in one movement. I groaned as I felt it inside of me, then started sliding up and down on it, determined to use the vibrating engine and this thick cock for my own pleasure! I let him suck on my hard nipples as I continued fucking him.

I stood up and turned around, my hands on the handle bars and my pussy sliding down his huge shaft again, this time my clit picking up the vibrations from the bike even more.

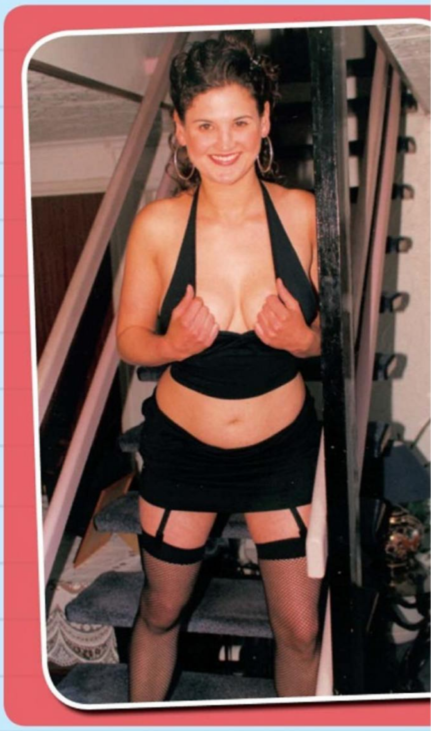
I groaned loudly as I orgasmed, my arse bouncing up and down harder than ever before, he started cumming inside of me, my cunt filling up with his hot seed.

Since then, I've seen him at least once a month for our regular “services”!

Debs, Herts.

Straying on top of things

My other half, Tom, and I went off to get some winter sun recently. We managed to agree on the resort, but he's into activity stuff while I'd rather shop and sunbathe. But when he blew out coming into town with me because he wanted to go jet-skiing, I got pissed off.



I didn't go looking for trouble, but when David chatted me up, I didn't put up any resistance! He was a big, strapping lad, a local, and I'd already had a couple of lethal cocktails.

As he gave me some chat, I didn't mess about – we only had a few hours. I reached forward and stroked the bulge in his shorts, then told him to follow me to my room.

Ten minutes later we were necking on the bed. All I had on was a sarong and my bikini, and they didn't stay on for long. I loved his big, hard body and he loved feeling me up, too, especially

my tits. Every time I tried to move his hand in between my legs, he'd just give me a quick diddle, then grope my tits again, streaking them with sticky wetness. In the end, I just gave up, humping my wet snatch up against his leg as I fondled and wanked his hard-on.

LEILA, HANTS

I wanted fucking so he laid me down on my back, bringing my legs up on his shoulders for a deeper screw. It also meant he could play with my tits. Just the sight of him was horny, his fat, dark cock opening up my tight, pale pussy.

HE DROOLED SPIT ON MY ARSEHOLE, GETTING ME HOT FOR DICK

Tom isn't scared to fuck me hard, but he's quite lean and athletic. This guy was more stocky and putting his weight behind every thrust, like he was pounding me into the mattress. I could hardly move a muscle, bent double, but that just made me even more aware of the tool ploughing my pussy.

I started cumming and told him to suck harder on my boobs. He got a good mouthful of tit as his knob ploughed me. I also managed to get a hand on my clit and, as I fingered it, I started to cum so hard…

He just kept pumping me relentlessly and my second cum was even more powerful.

My cunt was still throbbing hard as he shot his load, his back arching to really fuck it into me and hot spunk washing all inside my hole.

We had a bit more of a snog, and I allowed him one final fondle of my tits before I said he'd better leave. I didn't feel that bad for using him – it wasn't like he wouldn't find more willing pussy around the resort.

I didn't feel that guilty about Tom, either. We'd both played away in our time so it wasn't that big a deal. I was still in the room when he got back – I told him I'd had a couple of drinks and needed a nap. But he knows what I'm like, and when he saw the fucked state of my cunt, and a faint little love bite on my tit, he sussed out exactly what had happened while I was out.

I came totally clean, knowing he'd probably be turned on rather than pissed off. He laid on the bed, fingers creeping towards my crack as I gave him the horny details. Then he went down on it, drooling spit all over my arsehole, getting me hot for his dick.

I moaned as it slid in – a stiff reminder of why he was still the horniest bloke I'd ever fucked – and he just buggered me slowly, the pair of us buzzing from the fun we'd had earlier that day.

He came deep in me, then tickled my clit as he watched the spunk trickle out down out of my arsehole and over my folds. And just before he made me cum, he had me promise that, no matter who I let plunder my cunt, my arse would always be his alone.

Leila, Hampshire.

TARA, NORWICH

Cry three-Dom

I ended up spending a night watching porn with my best mate Will and his missus.

They're a kinky pair and he doesn't mind sharing her.

£90

She was grabbing her own nipples and stretching them up and out, and jiggling her tits as she rubbed against me as we watched the film. I was still fully clothed, but when I slid a hand under her crotch, I could feel how hot and moist her pussy was – her little G-string was wringing wet with her juices.

WILL DOESN'T MIND SHARING HIS TARA

It was weird doing this with her boyfriend sitting there, but he loved to see her get manhandled.

I didn't need any help undressing but I still let Tara do the honours. She peeled off my T-shirt, nuzzling my chest with her face, then stripped my bottom half naked too.

I don't know what the gloss was she was wearing on her lips – minty perhaps – but when she rubbed the tip of my cock over her mouth it felt all cool and tingly. Then she opened her mouth and started slapping the underside of my helmet against her tongue. I didn't want to rush her, but I was desperate for her to start sucking my knob, and it was like she read my mind. Her lips closed around my bell-end, and she started sucking me, swirling her tongue around.

By now I had actually forgotten that Will was there, and so had Tara, I think – that's probably why she squealed when he suddenly came up behind her and started feeling up her pussy. He grabbed the back of her G-string, pulling it tight then yanking it back and forth against her slit. Then he pulled it to one side and fed his cock slowly up her wet hole.

Fair play to her, she didn't miss a beat and Will kept things slow and easy until she'd sucked me all the way. The slurping got louder and more frenetic, then she gave my balls a squeeze and I fired six or seven thick, creamy jets into her mouth.

Next thing, I heard Will groan to Tara to sit on his cock – he lay down on the rug and Tara immediately straddled him, just like she'd done to me while she was teasing me.

This time, though, there was no messing – his prick was straight up her hole, and her tits were bouncing and slapping around as she rode him hard.

I don't know what the hell she did to him with her inner muscles – although she gave me a good idea later on – but I could see exactly when he started cumming and his face told me when every jet of spunk was squirting up inside her.

It was one hell of a night – no matter how hard or how much we fucked Tara, she was always ready to take the next hard cock offered to her.
Jonathan, Norwich.

Tarty Party

It all started at a friend's party. I was slightly drunk and my husband had been showing 'naughty pictures' of me to our friends; he was asking them to persuade me to pose for pictures for your magazine.

A short while later one of my husband's female friends asked him if she could kiss me. Lisa is in her early twenties, slim and devastatingly attractive. I don't know if he would have agreed if it was a male friend but he says he would and that this was my choice. He asked me if it was OK, and being slightly drunk, I agreed so Lisa and I disappeared to a spare bedroom together.

Lisa started by softly touching my cheek and drawing me closer to her face before our lips met. That single moment in time was electric for me. Lisa is bi and experienced, I have only ever been with a few men in my life and I couldn't believe the initial sensation of my lips meeting hers.

We fell on the floor, our lips locked together, tongues entwined and our hands reaching at buttons and zips, frantically trying to undo any barrier to our passion. I felt the rush of excitement as her fingers found my clitoris.

She raised her hips allowing me to slide her jeans down and to get access to her soft, wet pussy. Just then my husband called up the stairs to see if we were OK. Breathlessly I called back "Fuck off and leave us alone!"

Lisa and I both kicked off our shoes and got out of our clothes as fast as we could. As soon as we were both stripped bare we paused momentarily looking at each other's naked body. The effects of the wine had worn off – I was now giddy with excitement and expectation.

I opened my legs wide for her and her fingers found my clit. My back arched involuntarily. I longed for her to push her fingers inside me and, as if reading my mind she obliged and found my G-spot almost instantly. I was in heaven and on the verge of cumming already and we had only been together five

minutes. What the fuck!?!

Lisa gasped as my fingers found her moist pussy again. I kissed her, my fingers always probing her gorgeous wetness.

I eased two fingers inside her just as I brought my lips above her clitoris, took a deep breath, stuck out my tongue and licked. I could feel her clit harden against my tongue, especially when I pushed my fingers deeper inside her. Lisa moaned with pleasure. My fingers were coated with her pussy juices so I rubbed them gently round her arse before pushing my index finger into her tightest hole, my tongue still lapping at her pussy.

She grabbed my head and pulled me closer, my tongue lapping up every last drop of her oozing sex, my finger pushed deeper inside her. I felt her tremble, heard her moan from satisfaction and smiled to myself that I had been able to do this.

I thought it was about time to rejoin the party but Lisa seemed to have other ideas. “It’s not fair”, she said, “I haven’t had a chance to taste you yet.”

She gave me a grin and put her head between my legs while kneeling either side of my face so that we were in a sixty nine.

My whole body tensed when she ran her tongue along my snatch, she grabbed my bum cheeks as if trying to pull herself closer, sucked my clit into her mouth and rolled her tongue around it.

This was FUCKING intense – every part of me tingled! I had never believed so much pleasure was possible at one time and then to really make my endorphins rush she pushed two fingers in my sopping cunt and another into my eager bum, her mouth still locked on my clitoris.

This orgasm took my breath away. My body shook and my legs twitched and my pussy and arse clenched around Lisa’s fingers as wave after wave of orgasmic release rushed through me.

My body and mind had just reached places I never knew existed and all I could do was lie there trying to get my breath back, enjoying the afterglow of the most powerful orgasm I had ever had.

Lisa grinned – she could see I was still unable to speak. As she got dressed she said: “We’ll have to call that a 68… You still owe me one!”

REAL WIFE SEX

Polly, Cheshire

Posh wife Polly thrills to the best sex of her life, and hubby hasn't got a clue. Until now, that is...

My husband is a regular *Escort* reader and since finding his collection – so am I! I look forward to the days when I find the next issue at the top of his 'secret' stash (honestly boys your wife *is* going to look under the bed!), and feed my pretty pussy a fist full of my fingers over your gorgeous girls. I get wet and dirty reading other wives' filthy confessions, but as much as I love them I always climax on my very own secret.

What pushed me most to make my very own confession is the thought of my husband wanking over this confession! I have always been very flirty with guys and didn't intend to stop that after saying "I do" but I never in my wildest fantasies thought I'd be having the best sex of my life with someone else!

It all started when we moved in to our new home, miles away from friends and family. I soon found my days a bit empty and dull and with Tom out most of the time either working late "in the office" or following Chelsea FC, I decided to go out and find some fun for myself. Whacking on the tunes I washed my golden locks and prepped up my still sexy body for some TLC. Slipping into my pre-Mrs little black dress, I looked pretty darn good – far too good to be stuck at home baking pies and running round with a duster and pinny on a Saturday night! As if! I admired my long legs in our outrageously huge gold etched hallway mirror. Knocking back vodka for some courage, I finished off the look with my patent black outrageously expensive six inch heels. Looking this hot – I knew I wouldn't have to wait long for some (much needed) male company.

Huge hands grabbed my arse

It's funny how a tall, busty 20-something can stop a man in his tracks, and that's exactly what I did. As soon as I entered the local pub I realised I was a bit overdressed, but the guys at the bar didn't mind and with the vodka kicking in I worked the room.

Within seconds I spotted this bloke, sat quietly in his work gear. My heart started to thump under my breast, as If I knew I had found

WorldMags

my Saturday night fuck ticket! He must have been a builder as he was all mucky, and had a pair of those boots on with the big bulging toecaps.

As I glided over to the bar, I felt his eyes all over me. I was gagging for some fun and he looked like the perfect man for the job. Looking up and giving me a man-sized smile and cheeky wink, I accepted his offer of a large vodka and we soon got chatting.

His strong working hands cupped his pint, but I just wanted them clawing off my clothes. He smelt of man. The scent of a hard day's work – raw sex, and as I nodded and agreed with his conversation I felt my pussy gently tingle with excitement in its little pool of juice.

After a couple of hours, he finally offered to drop me home. I think it was my shrinking dress that did the trick – I'd hitched it so high I might as well have taken the bloody thing off! Well, we soon got to where I wanted to be – my front door. I softly ran my hands over his stubbly strong face. The softness of my hand glided over his lips and he knew he had the green light.

I was gagging for some sexy fun

Opening the door he gingerly stepped in, his muddy boots still leaving a trail of dirt on my cream carpet. If Tom had made that mess I would have had a fit, but with Jay it somehow turned me on and I followed the dirty trail straight into his big, strong workman's arms.

His huge hands grabbed at my arse cheeks and our tongues played in each other's mouths. My heart was now beating though my chest and the excitement made me light-headed. He must have sensed this as he, in one glorious swoop, swept me off my feet and headed straight to my brand new sofa.

As we fell into the sofa, the weight of him pushed me deep into the cushions. I

CHLOE

TRUE BLUE

Interview by Rose Crompton

Call centre workers at Sky Digital took every call extremely seriously

Who'd like to give tasty tartlet Tiffany Naylor one in the ring? Here's the lowdown on how to have hot phone sex with strangers

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

My début phone sex call didn't go well. Before switching the phone on, I had a few drinks for Dutch courage – well, I was shaking with nerves! That may have affected my performance. The conversation went something like this:

Him: "I'm horny."

Me: "Oh, you're horny?"

Him: "Yeah, I'm really fucking horny."

Me: "Oh, you're really fucking horny?"

He hung up. It lasted no more than a minute. Being a parrot and repeating everything he said wasn't the way to turn him on. Back to the drawing board then!

Over two years later into my phone sex career, I can hand on heart say that I'm much, *much* sexier. For one thing, the calls last a lot longer. I'm also better prepared – there's very little that will faze me these days. If someone called two years ago telling me he was dressed up as a woman and wanted me to fuck his arse with a strap-on, I would have been like "Oh my God!" Now I relish the challenge of talking out that scenario with him.

Although I've received no training, I've worked out that there are things that can make a call much hotter. For example, lowering the pitch of your voice, making suggestions and not beating around the bush. Be brazen! I'm not afraid to say: "Put your hand on your cock – right now!" in a dominant voice and often he'll do as I tell him before explaining what more they want.

There are some topics that are more popular than others. Usually a call will be a guy wanking down the phone, not talking, but want me telling him what to do. Or they'll want me to explain how they should fuck me. Surprisingly, a lot of men want to be verbally abused over the phone. They'll ask me to call them names or tell them off for wanking their dick.

Anal play is a really Marmite subject, but still pretty popular. It's not something I do in my personal life, but on the phone I enjoy telling them to ram their cocks right up there. It's when I turn the table that it goes one of two ways: they'll either hang up, or love it and want more!

I enjoy the straightforward sex scenes because I get to say "cock", "pussy" and "spunk" lots. There's no doubt that these words are hot and get me aroused. Especially if you really draw them out and make them linger on your lips and the tip of your tongue. They're just so rude!

Naylor? Not half

> **"Sometimes I wrap my hand round my boyfriend's cock when I'm taking a filthy phone call"**

"Hello, hello... I can't believe I'm still on bloody hold..."

I can really get off on the calls too. A nice voice hits the spot for me, especially a Manc accent. I also love it if my boyfriend is here while I'm on the phone. I'll ask the caller if he's stroking his cock and at the same time I'll have my hand wrapped around my boyfriend's dick. It's a bit like a threesome over the phone. I don't always tell the caller that he's there – some of them like the idea and others don't.

One of the sexiest calls I've ever taken was a threesome scenario. I described in detail what me and a female friend would do to him: how we'd slowly strip him, run our hands all over him and start feeding his cock into her mouth, making her suck him off.

He blew his beans and hung up when I said, "and then I'm going to wank your cock into her arse..."! It wasn't a terribly long call, but it was *very* horny!

Being on the phone for up to six hours a day means I'm not turned on *all* the time. Props are handy, like a vibrator. I'll turn it on so he can hear it and say, "Oh, I've just pulled this out of me and I'm rubbing it against the phone." If I really didn't want to play with myself at the time – which isn't often – but they wanted to hear how wet I am, I'll dip my finger in a yoghurt and move it around. "Ooh, can you hear that? I'm really wet." I've stopped doing it so much now though, because it got really messy.

I love working the phone lines because it's never boring. I enjoy the diverse range of subjects that people want to talk to me about on the phone and I've learnt so much about sex, fetishes and people. I love it, so why not call me?

MY NUDDY VALENTINE

Valentine's
I
LOVE
YOU
LOVE

JASMINE

Nothing says "I love you" like a rose out of a plastic bucket, a cheap card with a question mark scrawled in it, or a trip to a swanky sex party. Jasmine is looking forward to the latter on the fourteenth of the month. "Cards and flowers are for kids. I'm going to have a very special, very adult Valentine's night," she pouts. "I won't be looking for romance, just lots of hard cocks and sexy ladies' arses. I'll be feasting on them all night long!"

FRANKIE

"This year, my boyfriend has promised me an extra-special surprise on Valentine's Day!" cooes Frankie. "But if he brings me jewellery or buys me dinner, I think I'll scream! What I really want is for him to seduce me on a bed covered in flowers, then for him to slowly push his stem between my petals and treat me to a long slow fuck session!" Talk about splaying it with flowers!

Zara (19 and from Norfolk) has a fantastic little bod, and does exactly what you'd hope a well brought up girl would do with it – share it with everybody! "I'm waiting for Mister Right, but until he turns up, I'm happy playing around with Mister He'll Do, Mister Bit Thick But Got A Massive Knob and Mister Dirty Bastard!" And when Mister Right turns up? "He can go Mister right up my backside!"

A woman in Wigan responded to one of my ads on a casual sex site – she said she was interested in my dick measurement as I said I was quite well hung.

I drew around it stiff, scanned it and sent it back via email. She got right back to me with a naked picture of herself, and she was dead keen to meet up, so we arranged to meet up in Coventry at a pub for a drink and something to eat before going to the B&B.

FRANCINE, WIGAN

I FELT HER WET LIPS CLOSE ROUND MY HELMET

Francine was really easy to get along with and we were flirting freely by the time we were ready to eat. We hurried through dinner and headed to the B&B.

We signed in as Mr and Mrs Smith, which we both found funny, and went straight to our room. Francine – which was this babe's name – told me to sit on the bed and watch.

She slowly and seductively stripped for me, all the time telling me how much she wanted to feel my cock embedded in her pussy.

She wouldn't let me touch her yet though! Soon she was down to just bra and panties – I couldn't wait for her to be fully naked and feel her flesh against mine. My cock was straining in my pants!

I grabbed her around the waist and buried my tongue into her cunt. She gasped as I found her clit, and her pussy juice started to flow over my tongue.

When my cock was finally released it was a relief – but not as great as feeling her warm, wet lips close around my helmet as she slowly took my cock into her mouth.

She bounced her head on my cock, and tugged at my balls, so that I could tell that she wasn't going to stop. She kept going until I jizzed over her tongue and lips.

She got off the bed and bent over the back of a chair. I knew what I had to do, and my cock was up for more. I hardened myself up again by rubbing my cock over her wet pussy lips, and when I was stiff enough I sunk my cock in to the nuts!

I started to fuck her, and found that she liked to control the pace. She started really slow at first, ever-so-slowly building up pace. I dug my dick in deep as she wanted it fairly hard.

We stayed at a good steady rate for a while then she pushed back harder and faster, so I let it all out and banged her for all I was worth. I was rewarded with her cunt squeezing my cock hard as she came, but she kept the pace up all though.

We swapped to missionary position on the bed and again she controlled the pace. Soon we were up to speed again and I could feel my jizz boiling up for a second go! I held it back as she came again. This time, I could see she was spent for a while so I pulled out and sprayed her with another helping of jizz!

The next morning we fucked again instead of having breakfast, agreed never to meet again and went our separate ways.

Mike, Notts.

"BE MY FAN-TASY!"

JENNY

Phew! It's all getting a bit steamy in here with the juicy-jubblied Jenny, whose ridiculously over-endowed rack is getting us pretty hot under our trouser-collar. Luckily she's got a fan to cool us down. And we reckon she'll have thousands of new fans after she uses it to treat us to a burlesque show that leaves a lot less to the imagination than they usually do. As singularly unimaginative folk, that suits us fine.

DEAR JULIA

Dear Julia
I was really excited reading your mag vol 32 no 13. Fuck me! I can't believe how much fanny is out there. So many sexy girls caught my eye but Jess West has go to be the best. What a daredevil. What a bare devil!
M., South London.

Go West, young man

Julia says: We can't get enough of Jess West, who's becoming the go-to girl for UK porn at the moment. The lads in the office have dicks pointing due North when her pics arrive!

Dear Julia
Weird and wonderful shots of girls cavorting with dolls! I know times are tough, but couldn't you afford a five-girl shoot instead?
Alby, Guildford.

Dolly mixture

Julia says: They're cheaper and more punctual than models, and don't turn up hungover. Unfortunately, trying to shag them feels like having sex with a li-lo, despite a gallon of baby oil. So we'll be sticking to fleshy fannies!

Bitch and the wardrobe!

Dear Julia
Great to see Kay again in your last issue. My missus loves dressing up in my shirts so I can smell her on them when I'm at work. I always carry her knickers in my suit pocket as well for a quick "drag" in the toilets!
Dominic, Newcastle.

Julia says: You should try my knicks – they're like Capstan Super Strength! You could get addicted!

BARMY ARMY

Stripper ripper

WE TIPPED THE DRIVER WITH DAMP PANTIES

For our summer do, a friend of mine at work organised a girls' night out to watch a group of male strippers.

It was a drive of about two hours and we hired a minibus and driver. We all had a few bottles on the bus and the atmosphere was brilliant.

One woman in particular, Sonia, was clearly determined to have fun. By the time we got to the place we were all in high spirits and keen to see the show.

During the show, one of the strippers came into the audience and headed straight for Sonia. He offered her his bulging pouch and together we peeled off his thong.

He held a flag over Sonia's head and his cock but as I was so close I could see what was going on. She actually had his dick in her mouth.

I could see her sucking on it and licking it with her tongue. If he had the choice I reckon he would have stayed there and enjoyed a good blowjob, but he had to move on.

We were all drunk when we headed home and soon everybody was asleep. I was just about to doze off when I felt a hand on my thigh.

I opened my eyes and Sonia kissed me full on the lips. My legs turned to jelly and I couldn't resist her. Soon we were tonguing like a pair of 16-year-olds.

When she pulled my halter over my tits and started sucking and licking my hard nipples I realised the driver was watching us in his mirror.

I was wet with excitement and I managed to pull her jumper over her breasts

Ploughman's lunch

ROSE, SHROPS

I met Rose when she did a couple of months' work experience at my office.

She was 22 and gave pretty much every bloke on the staff a hard-on, so I didn't even bother making a play for her. That didn't stop me sneaking the odd look, though, and she caught me a few times. Then, one day, she followed me out as I went for a ciggie break.

She said a couple of nights before she'd had a really filthy dream about me. Then she said she hadn't been able to forget it, and if I wanted a bit of fun before her placement finished next week, now was my last chance.

Even as she started unzipping my flies I was convinced it was a wind-up, but then she started wanking my cock.

This was a bit too public a place to be mucking about, though, so we slipped into a storeroom.

I asked her how I'd fucked her in her dream and she said just missionary, but really hard and deep. So I laid my jacket on the floor and she lay back.

She stayed dressed, but I helped her out of her knickers – she had a neat little snatch with a Brazilian wax. She started playing with herself, like she couldn't even wait for me to get my cock out, though if she'd touched it I'd have blown my load right then.

My helmet nudged her fingers out of the way, now on her clit and not inside her. And she kept frigging herself as I slid in, her wet walls clenching around my tool.

Given a choice, I'd have taken things slower, but I made the most of what we did. I stared down at her crotch, watching my prick plough in and out of it, whipping her juices to foam.

Her clit was pink and swollen, and now I felt her tighten even more inside, almost vibrating as she tensed just before cumming.

Then she let go and wriggling and arching beneath me as her orgasm went through her.

This was a quickie, but I was dying to see her tits without the white blouse and lacy bra that always showed through it. I grabbed the front of her top and ripped it open, so the driver could see her too. Then we pulled into a motorway service station.

The women trooped off to the restaurant but Sonia held me back. She led me in front of the bus and pushed me up against a truck.

While she kissed me she rolled my little rubber skirt up around my waist and cupped my shaven pussy, sliding a long finger inside me. I told her the driver could see us.

"I know. Isn't it exciting? Show him my bum!" she whispered in my ear.

So I pulled her skirt right up around her waist too. Back on the road we continued fingering and sucking each other.

As we neared home we both took off our knickers and when the other girls tipped the driver Sonia pushed our damp panties into his hand.

My boyfriend Chris reckons I'm having an affair with some bloke but when he reads this he'll know I've been meeting another woman for a good seeing-to.

He won't be complaining when he gets his birthday treat! *Violet, Derby.*

I SHOT MY BOLT ALL OVER HER BOOBS

buttons pinging everywhere.

"Fuck!" she gasped, but scooped her boobs out of her bra, caressing them as I shot my bolt and creamed all over them.

I didn't get much work done that afternoon, though I was glad I'd taken my chance to fuck Rose. And, what's more I got to do it again – as everyone else left for the day, she dragged me into the ladies' for another quickie.

I insisted on getting a proper suck on her tits this time, while she sat on my lap in a cubicle.

And this time I got to cum deep in her snatch as well… *Brandon, Shropshire.*

Furry's jolly good

My boyfriend Ed is a dirty bastard, but a bit "vanilla", and he finds other people's kinks hard to accept. So when I told him about "furries" – a fetish for humans dressed in animal or cuddly toy costumes – he accused me of bullshitting.

Even when I showed him online he got all sneery, saying he'd better watch he didn't get a boner at the footy when the mascot came out!

I PURRED AT HIM TO FUCK ME AS HARD AS HE COULD

I bet I could turn him on with a furry costume and spent ages on it. I cheated a bit – it wasn't head-to-toe fake fur, but a peephole bra, crotchless panties and suspender belt covered in white fluffy fabric, plus pointy false-nail "claws", a fluffy tail and a Catwoman-style white fluffy mask. I also had a sparkly collar with a name-tag on it that read "Pussy"!

Ed walked in on the Friday to find me stretched out on the rug in front of the fire. He looked stunned and I just purred, padded over and started to rub up against him.

He just laughed and called me a perv, so I turned around and crawled back to my rug, sweeping my tail sideways with a wiggle of my arse, so he'd get an eyeful of my pink, juicy, 100% human slit edged with the white fluff.

My sex-kitten act obviously put him in the mood for a bit of doggie, and my snatch twinged as he dropped his trousers, then got in behind me. He pulled the edges of my panties further apart, like he was scared he might brush against them and get turned on!

Once he was inside me, though, he didn't care – in fact his hands were stroking all over my soft, fluffy bra as he felt for my nipples, and he was rocking his crotch from side to side as well as in and out, and tracing the line of my suspender straps.

I reached back to rub my clit, which soon had me cumming, then he grabbed my hips and really started pounding into me. I decided against yowling – no need to overdo it! – but purred at him to fuck me as hard as he could.

He didn't hold back any, just hammered my pussy before emptying his balls deep into my snatch. *Donna, Hants.*

REAL WIFE SEX

Polly's story continued from page 21

knew at this point it was three grand well spent! His hands wanted to feel each crevice and curve of my body and I surrendered to them gladly.

Lifting up his shirt, I unwrapped a body to die for. Unable to stop myself my hand wondered down and found his belt. Unhooking him, I teased myself by slowly unzipping him. As his cock sprang out in a bounce for freedom, my eyes widened in shock and unadulterated joy. I knew I had picked a winner and nine inches of thick cock was my trophy.

A surge of energy I had yet to experience before ripped though my body and I freed my self – I needed to get my panties off and that cock in me. Ripping off my dress – what was left of it – I exposed my body. I felt tiny compared to him and desperate to push his cock deep in my cunt. Getting on my knees I gently took his cock in both hands and licked up and down his length. As my hands rubbed up and down on him my spit slipped around my wedding ring, but Tom was the last person on my mind.

As he reached the peak of his erection, I crawled up his body. I was so wet by now I was not interested in foreplay. Slipping myself down on him, my hands grabbing onto his broad hairy chest, I gasped louder with each inch that filled me. Horrified that I was going to cum so soon, I tried to distract my self by thinking of my messed by carpet and dirty new sofa, but it only made me worse and I spurted out my clear sweet cum whilst letting out a forceful scream of pleasure. Biting my lips and giving him a sheepish giggle he laughed and

I spurted clear sweet cum

stood up, my legs wrapped round him. Starting right into my embarrassed eyes he said, “Let’s do you again, and this time give me a chance to join in!”

Well, that almost gave me seconds on the spot, sexy and considerate – what more can a woman wish. I managed to muster some self-control in my over-excited pussy!

Pushing me up against the wall, knocking down the picture painted by my mother-in-law, he begun to pound me like a pneumatic drill. I had never been taken like this and as his body slammed into me and with each fuck thrust I could feel myself losing control again. It was bloody amazing!

Sensing this, he picked up the pace before letting out a bellow as his cum shot up my pussy, giving me the green light to let lose again. My pussy burst like a broken pipe, juice spraying out of me with immense force and onto his warm creamy cock.

The next morning he left for work, his cock still sticky from the night before. The only sign of last night was the muddy carpet!

She's wild and crazy in the bedroom, and that really came across in this shoot at 28-year-old Brummie Tina's house. "This kitchen has seen plenty of action. My other half likes to pop it up me when I'm doing the washing up! He loves playing with my boobs while he fucks me from behind! My favourite body part? Funnily enough, I would say my eyes. It's so horny to stare into someone's eyes while you're sucking or fucking them!"
